Yvonne Porcella

It is with great sadness that we learned of Yvonne's passing on Friday, February 12th. Yvonne was a true visionary, a creative and talented leader in the world of art quilts. She was the founder and first president of Studio Art Quilt Associates and inspired quilters around the world with her vibrant colors and whimsical themes.

Yvonne's work is featured in museums and galleries throughout the world and she taught and lectured in the United States, Canada, Australia, Europe, and Japan. The Renwick Gallery of the Smithsonian Institution acquired her quilt, *Takoage*, in 1994 and included it along with 300 objects from the 15 additional Smithsonian museums in a national touring exhibition honoring the 150th anniversary of the Smithsonian.

We were fortunate to spend time with Yvonne at the opening of her retrospective last month at Visions Art

Our Mission

The mission of Visions Art Museum is to create an international community of quilt and textile artists, collectors and the public through exhibitions, education, and engaging programs that increase the appreciation of quilts, textiles and fiber as fine art.
